File No. Indus. Disputes II/50(R)

458-B

Gen. 194 e.

Legal Department.

A revised draft notification is sent herewith.

2. By rule 25A of the Industrial Disputes (Bombay) Rules, 1947, the rules regulating the procedure to be followed by Works Committees given in Part V of the Industrial Disputes Central Rules, 1947, have been made applicable to the Works Committees constituted at the instance of the State Government. These rules do not, however, contain any provision requiring the Works Committee to keep the employer informed about the agenda of the meetings held by them and the decisions taken at the meetings. Before requiring the employer to submit a return, inter alia, about these matters (vide item 10 and 11 in the proposed form of return at page 5) it would be necessary to make a rule requiring the Works Committee to report to the employer the agenda of their meetings and the decisions taken by the Works Committee. Rule 25C in the revised draft notification is intended for this purpose.

3. It is presumed that no penalty is to be prescribed for contravention of the proposed rules.

A revised draft notification is sent herewith.

2. It is not necessary to provide by a rule that the Secretary xxxxxxxxxx x shall in cases of doubt refer the latter to the Tribunal for its orders as in such cases it shall be always open to the Secretary to obtain the Tribunal's orders without any statutory authority. Provision proposed for this purpose has, therefore, been omitted from the revised draft.
